Student of the Week

Christopher Barden

Chris is enthusiastic and delightful member of the 4/5/6 class. He takes part in all classroom activities and is always willing to help others students when needed.

Chris has great potential in all Key Learning Areas and works towards achieving it by putting 100% in all he does.

Fantastic start to Term Two Christopher.
Principal’s Message

I know you are all keen on YouTube and I have seen a nice video this morning which one of the students brought to my attention. It is from Britain’s Got Talent and the Artist name is “Bars and Melody”. It is so good to hear young people delivering a message that is important to them and I know that Collarenebri has its own strong history of being able to do that.

NAPLAN has been a focus for our school this week and I would like to congratulate all staff and students for the way they have handled themselves at a time that can be quite stressful.

We have had a significant number of staff away with illness and training. I would like to publicly thank our remaining teaching team and SLSO’s for the way they have accommodated for the changes and taken additional duties in good humour. As usual our students have been a delight in the way they have coped with these issues and the extremely invasive building works which have been going full blast this week. You should all be able to notice the advances in the project and also join with us in looking forward to the finished product being ready. “...Ah the serenity!...”

We welcome a new teacher to the school from Moree TAFE, Mr Steve Arentz who has taken over the construction boys. Steve replaces Steve Harris who did a great job last year (Are all construction teachers named Steve?). They will be building a project down at the Ag Plot and also taking a good close look at all the work being conducted by O’Donnell and Hanlon.

A HUGE congratulations must go to Ms Allyson Hynch who was confirmed this week as the substantive Assistant Principal Primary. Allyson has been doing a consistently great job for over 2 years in the relieving role and this achievement is certainly well deserved. The relieving AP is now officially...relieved!

Girls Hairdressing again will head down to work at Coonabarabran and I have been so happy with the support our parents have offered. Thanks to the parent group and I know we will get a great outcome for the girls. Mr Odgers has been a miracle worker with getting all of the Vocational Education issues sorted and in place at short notice. Thanks Mr Odgers!

Stay well,
Rob Malcolm
Principal

Reform to P&C Federation

The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Association, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Association’

Each school’s P&C Association will be asked to vote for councilors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councilors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at

Secondary Report

NAPLAN

I would like to congratulate Secondary Students in years 7 and 9 who completed their NAPLAN exams this week.

Well done.
WEEK 3, TERM 2 - 2014

PRIMARY REPORT
MRS ALLYSON HYNCH
ASSISTANT PRINCIPAL

NAPLAN

I would like to start by saying, “Fantastic Work and Well done” to the students of Collarenebri Central School who sat the NAPLAN Tests this week. Our students gave it their very best and I am proud of them. Well done everyone!
