Collarenebri Central School Newsletter

Student of the Week

Laquinta Price

Laquinta has settled into school extremely well this term. She has a great attitude in class, and is working hard in all KLA’S.

Well done, Laquinta keep up the hard work.

Athletics Carnival

Upcoming Dates to Remember

June 13th  
Regional Cross Country

C.C.S. Sport and Recreation Facility
An important message this week to parents who pick up their children from school by car.

As you know we have some changed traffic conditions in Earl Street and this certainly is a busy area. There are bus pickups, pedestrian traffic and plenty of children excited and moving around and across roadways. Children do not always do what is predictable.

I have been advised that the Sergeant Paul Ireland and other Officers from the local Police Service will be assuming a presence in Earl Street over the next few weeks, and they will be reinforcing our message about following appropriate road rules and also monitoring vehicle movements.

Pedestrian behaviour will also be closely watched, and there may be some recommendations for us on managing children better at this key time of day.

I would urge you to pay close attention to driver behaviour and parking restrictions in the Earl Street vicinity.

Good Luck to the touring Collarenebri Primary Cross Country Team who will be heading off to Goodooga this Friday with Ms Flick in charge. Remember, no permission note, no go. So students, get your parents to sign on the bottom line!

Regards,
Rob Malcolm

SECONDARY REPORT
Mr. Scott Shephard
HEAD TEACHER SECONDARY STUDIES

Firstly, congratulations to all students who have successfully completed respective block delivery in TVET courses over the last couple of weeks. There has been various secondary students involved in Construction here at Collarenebri and Hairdressing at Coonabarabran under Miss Fuggle’s supervision. The skills developed on such experiences provide students with employability and work readiness skills.

Over the next two weeks Year 11 students will be preparing for their Preliminary Mid-Course examinations. These examinations take place throughout Week 6 (02/06/2014-06/06/2014) and all students are encouraged to ask their teacher’s questions and revise consistently in order to be prepared.

Students have been informed there will be a new timetable coming out in secondary next week. This is to accommodate for staffing changes that have occurred. All students will be provided with a hard copy of their timetable and spare copies will be available either from the front office or in the secondary staff room.

All staff and students are looking forward to the special events occurring next week including Sorry Day on Monday and the Athletics Carnival on Friday at Brendan Smith Oval.

PRIMARY REPORT
MRS ALLYSON HYNCH
ASSISTANT PRINCIPAL

Many of our students are in Goodooga today participating in the Regional Cross Country. Everyone on the bus was ready to participate and anxious to get there. Well done everyone and have a great day.

Sketch and Scripture.

The travelling team of Sketch and Scripture entertained students in K-6 on Monday afternoon. All of the students listened to gospel stories, sang songs and participated in prayer. Our students really enjoy watching the story being sketched on an easel in front of them. At the end of the session students all received a box of crayons and mini writing books. Many thanks to the Sketch and Scripture team who visit our school annually.

The Primary Excursion

The excursion is drawing nearer and this week we have had another exciting Fund raiser at the school. A wonderful array of cakes was enjoyed by everyone during both recess and lunch.
Many thanks to all Staff and helpers who donated cakes for the stall and well done to the 4/5/6 class for running the stall. The day was an out of school uniform mufti day. The theme was dressing in your favorite NRL football team. Many students enjoyed the overall theme and many people participated. Keep posted to hear what our next exciting fund raiser will be.

Our wonderful Cake Stall.

On that note the Primary Excursion is scheduled for Week 3 Term 3. Parents are reminded that money for the excursion can be given to Zita for collection in the front office.

Annual Athletics Carnival

The Athletics Carnival will be held next Friday 30th May at the School Oval.

Parents Community Members welcome to come along and cheer on the children.

The Barwon District Athletics will be held in Collarenebri in Term 3.
The Collarenebri LALC is seeking tenders for the sale of a 2004, White, FORD, Transit Bus, seats 12
Bus is not in working order.

The Stolen Generations are the survivors of past government policies that allowed for the forcible removal of Aboriginal and Torres Strait Islander children from their families.

The 1997 ‘Bringing them home’ Report described at length the impact of removal and the continuing effects on thousands of Stolen Generations survivors today. The Apology was just one of the 54 recommendations outlined by the Report. The majority of Stolen Generations survivors are now Elders and Senior Citizens, they are ‘still living on borrowed time’ while they wait for true justice and recognition.
