Army Recruiting Seminar

Student of the Week

KYREN WALFORD

Kyren is to be congratulated for his ongoing commitment to all his subjects and learning over this term. His attitude and maturity has been recognized by all staff and he is a role model to all his peers. Well done Kyren and keep up the fantastic year in your first year of secondary schooling.
I have been speaking this week with Tammy Baker from Regional AECG and I need to pass on that she was very sorry to have to change the date for the renewal meeting.

Just to confirm then that the date is now Thursday 19th June, 2014. The meeting will be held in the new gymnasium area next to the basketball courts.

Bruce and the O’Donnell and Hanlon team are really rattling along with the building project and the Administration block D should be ready for us to move into by day 1 term 3. Our main entrance will then revert back over to High Street as will the bus pick up/drop off point. At the same time the new COLA/netball/playground space will be made available to us. This will mean essentially that the large playground space in the centre of the school will be open and ready for use and lunchtime footy games can resume. I am most pleased for the Primary students who have been severely disadvantaged with reduced play space for quite some time. They won’t have to play in the gardens! So the message is the worst is over!

Our children have coped so well with all the disruption it is a real tribute to them. Please tell them how great they are.

The final phase of the project will then begin with the emphasis moving over to the removal of the old portable building against the Council Hall boundary and then the construction of shedding and storage space for cars and relocation of the Trade training facilities.

Stay well.

Regards,

Rob Malcolm
PRINCIPAL
CONSTRUCTION

Congratulations to all Construction students over the last three days who have been further developing their skills in their TVET course. As a class the students have been working on many projects up at the Agricultural Facility including forming a slab at the cricket nets. Keep up the great work and well done on your attitude during your block week delivery.

NRL DOMESTIC VIOLENCE/RELATIONSHIPS PRESENTATION

Secondary students were also involved in a presentation focusing on positive relationships and the effects of domestic violence. From all reports the presentation was engaging and students walked away being very informed. Thank you to Mr Kirkland for organising this event for secondary students.

WEEKS 8 & 9

With only two weeks remaining in Term 2 students are reminded to continue attending every day right up until the end of term is imperative in order to make the most of there learning opportunities in a short, yet busy term. Keep up the great work everyone.

PRIMARY REPORT

MRS ALLYSON HYNCH
ASSISTANT PRINCIPAL

Teachers are very busy with finalising reports for this semester. Parents should be very proud and pleased with the reading abilities on student reports and how lots of students have grown in reading levels over the semester.

Tomorrow I will be taking a few students to Coolah to compete in the Regional Cross Country. Students will walk the track at 12:30pm and compete at 1:00pm. Well done to the students who have made it to the Regional Trials and good luck in making it to the Primary State Carnival.

OUTBACK COOKING GROUP

Monday the 16th of June the HOK (Healthy Outback Cooking) group will be back in our school. Students in years 2-6 will be cooking home-made hamburgers. Many thanks to the Medicare Local group who have built our gardens in the primary area of the school. Thanks also for supplying the gardens with plants and encouraging healthy eating for our students.

WHOLE SCHOOL ASSEMBLY

Next Friday will be the last Whole School Assembly for this Term.

Many of our students will be rewarded for making it to the merit activities planned for the end of Term. Our Infants/Primary students will be travelling to Narrabri to the Crossing Theatre and watching a new release. This will be a great day filled with lots of food and laughter.

PRIMARY EXCURSION

REMINDER: All funds for the Primary Excursion need to be into the school by Wednesday the 25th of June. If you are having trouble paying, you need to call the school and meet with the principal. This date is drawing close very quickly.

Apology

Last week’s Newsletter in the Athletics Carnival results, we omitted the 13 Years Girl Champion: Lachrista Barden.
