June 13th  Regional Cross Country

C. C. S. CROSS COUNTRY TEAM AT GOODOOGA

STUDENT OF THE WEEK

Tanayah Peters
Tanayah has been working to a very high standard in all her senior subjects. She is to be highly commended for her application to her Preliminary assessment tasks including Standard English and Community and Family Studies.

Tanayah’s enthusiasm and hard work is clearly reflected in the amazing results recently. Well done Tanayah!

Best wishes to all Year 11 students in the Preliminary Course Half Yearly Examinations next week.
WEEK 5, TERM 2 - 2014

Principal’s Message
Mr. Robert Malcolm

All welcome this Friday at the Athletics Carnival down at the Brendan Smith Oval. This is always a great day for us in Collarenebri with not only lots of great athletic performances and competition but lots of music, noise and plain simple fun.

These types of occasions also serve to remind us of the link between diet and exercise and health and wellbeing. With that in mind I believe there may be some Medicare Local Health workers delivering a positive message with some great fruit snacks just to reinforce the point. Unfortunately I will be unable to attend as I will be out of Collarenebri on the day, but I know the school staff will lead the way with plenty of cheering and enthusiasm.

Attendance has been strong at school in spite of the sickness that has been doing the rounds. Thanks to all those families who have been keen to see our students high attendance levels maintained. It is the work that families do each morning to shape those “coming to school”, behaviours which have the greatest impact. The students are certainly engaging well with the activities when they are with us, but without the work of families we would be in trouble.

I guess its teamwork really, because as they say, “Together Everyone Achieves More”.

Regards,
Rob Malcolm
Principal

Canteen News

Due to the popular demand of the new canteen, lunch orders must be placed before 9:30am.

Secondary Report
Mr. Scott Shephard
Head Teacher Secondary Studies

This week all secondary students were provided with their updated timetables. Senior students are to remember and ensure they are in class for TVET Support lessons. This time allows senior students who are involved in TVET Block Delivery such as Construction and Hairdressing to catch up on missed work from their other subjects. It is imperative that students stay on task in Year 11 and Year 12 in order to be assessed for all outcomes. Please feel free to discuss your child’s progress and application with any of the classroom teachers by contacting the school.

Year 11 Examinations

Next week from Tuesday to Thursday all Year 11 students will be involved in the Preliminary Mid Course Examinations. Such exams will be held in the Library Annex. All staff and students wish Year 11 the very best during this time. Students have been provided with the examination timetable.

Bullying. No Way!

The Year 7/8 PDHPE class are currently learning about bullying and harassment. This has involved learning about definitions, types of bullying, reasons why people bully and how to respectfully report bullying behaviours. All students are to be commended for their attitude and application during such lessons. As a school it is imperative we develop knowledge and skills of our students in and around the subject of bullying.

As the class assessment for this term the 7/8 class are planning a mural over in secondary that has a “Bullying No Way! Safe Australian Schools Together” theme. Feel free to contact the school on any ideas you may have.
Thank you to all students, families and community members who came along to celebration Sorry Day on Monday 26th May. All students are to be commended for their behaviour throughout the ceremony and for the delivery of the ceremony over at the new sports facility. Students participated in Indigenous Traditional Games in Primary and secondary students worked on Loom Bands and participated in sporting activities to finish off the afternoon.

Ear and Eye Screening

This week Heather and Alice, from Collarenebri Health Service came back to the school to continue ear and eye screening for students in the Primary department. Mrs Shephard and hospital staff will be talking to parents and carers about the results from these tests and they will be able to provide recommendations for your child.

If you have any questions please contact Mrs Shephard or myself at the school.

**Sorry Day display**

**Years 2/3/4**
Regional Cross Country at Goodooga

Firstly, congratulations to all of the students that participated in the Barwon District Cross Country. It was an honour to organise and supervise the CCS Cross Country Team for my 1st official excursion. A group of 11 keen students travelled to Goodooga to participate in the Barwon Regional Cross Country event. All of the students did extremely well considering the harsh conditions and lack of shade available. The Barwon Regional Cross Country Champion is Tahlia Gallagher, who took out the 10 years girls’ event. She ran a wonderful race, leading from the front and remaining there; excellent race Tahlia!

The following students have been selected to represent our school at the North West Cross Country Championships in Coolah on the 13th June, 2014.

- Tahlia Gallagher she placed 1st (10yrs girl)
- Terri-Lee Murray she placed 3rd (12yrs girl)
- Jase Peters he placed 4th (12yrs boy)

A special mention to the Fathers that came on the excursion, who encouraged all of the students and helped out on the day, I greatly appreciate all your help. It was Mr Malcom’s first time to Goodooga, I’m so glad we arrived and returned home safely (without getting lost) due to our bus driver Mr Malcom. All of the students behaved exceptionally well and it was a pleasure to take these students away to represent our school, we all should be extremely proud of them.

Kind Regards,

Mrs K Dumas
