Lachlan Adams has been an absolute stand out this week during the Quad Bike Operations course with TAFE followed by his skills in mustering and drafting at the Zell’s property at Bairnkine. His enthusiasm, drive to want to learn new skills and workmanship has impressed many staff at Bairnkine.

The trip to Bairnkine was to introduce students to the experiences they will encounter as part of the VET Primary Industries course and further develop their quad bike skills they were accredited on at TAFE earlier in the week.

The school wishes to thank Zell’s for allowing our students the fantastic opportunity to learn from their staff on their property. It is very much appreciated.

December 1st – 6th: Week 7
Year 6-12 Sunshine Coast Excursion

Congratulations to our year 12 seniors Travis Brazier, Peter Adams and Brendan Sweeney for completing the final stages of their formal schooling.

The seniors have worked hard over the last two years of their stage 6 schooling and have demonstrated a considerable effort and work ethic in successfully completing a range of subjects including qualifications in Construction, Certificate II in Agriculture and Certificate II in Retail.

Across their high school career, each of these boys have represented Collarenebri and Collarenebri Central School in various sporting events such as taking out the Neville Thorne in 2013 and Winning the under 17’s Grand final in the Barwon Darling Country Rugby League in 2013. Travis Brazier made selections in group 14, Western division Rams, under 18’s. Peter Adams made the Barwon darling under 16’s and won the under 17’s premiership with the Collarenebri Bulldogs. Brendan Sweeney made the Castlereagh Zone Opens team this year. Both Travis and Brendan played first grade for Collarenebri Bulldogs.

We are proud of them and wish them well with their future dreams and aspirations.
Principal’s Message

Mr. Robert Malcolm

The end of term has arrived and is marked by the final handover of our school facilities. I wish to publicly thank the staff and management of O’Donnell Hanlon for their great work and the positive contribution that has been made to our town.

Our Year 12 group has finished classes for 2014 and are now keenly preparing for their examinations. This is a significant milestone for these students and families and comes with mixed feelings for us all. Excitement for the future, but there is a hint of sadness in that you are leaving us. There will be significant opportunity for families and staff to say our farewells with formal occasions in Moree with NBSA, and also back at school with our own presentation night.

I am pleased to announce that our canteen will reopen next term, where we will be offering tasty food at great prices. Stay tuned for more on the new menu and price list. Our focus will still be affordable food that is kid friendly and has healthy options where possible.

The successful applicant for the position of canteen supervisor was Ms Natalie Borkovic. I welcome Nat to the school and I know that she is well known to you all. I look forward to working with her and the canteen steering committee.

I feel I need to inform you that Ms Campbell has been away for a few weeks in Finland on a study tour, but she will be returning for the start of week 2. Mr Odgers has been acting in her place for a short while but has been doing a great job planning for next year. I know Ms Campbell will return with even more ideas and energy.

I would like to thank the whole school community for the efforts of term 3 and I know term 4 will be so busy, and will go so fast, that Christmas will be on us in a blink of an eye.

Kind Regards,

Rob Malcolm

Principal

Book Week: Primary classes have worked on their displays for the library during their merit day. The theme for Book Week is “Connect to Reading” and is about the experience of exploring story, and travelling to other worlds. In our classes K/1 are working on Medieval times, 2/3 & 2/3/4 Enchanted gardens and Fairies and 4/5/6 The River. Students are encouraged to dress up as a character from a book they enjoy and there will be prizes for best costume in every year. There will also be a Book Fair where students can purchase books and stationary for the whole week (Monday 13th – Friday 17th). Items range from $1:00 upwards.

Teeth Week Competition: Our students participated in a Teeth week colouring in competition in September. Prizes were handed out to winning participants on Tuesday. Many thanks to Rebecca (Children’s Dentist) and Anthony (Aboriginal Health Worker) who came to classes and handed out prizes. Remember to brush your teeth morning and night.

I would also like to acknowledge the efforts of the North Queensland Cowboys and say I’m supporting your every move. The elimination rounds are here, what a great time of the year.
